Annexure
Santushti Strategy:
Under this scheme, JSK invites private sector gynaecologists and vasectomy surgeons (who are already working under National Health Mission (NHM) scheme of Govt. of India) to conduct the sterilization operations in Public Private Partnership (PPP) mode. According to this scheme, an accredited private Nursing Home/ Hospital working under NHM can sign a Memorandum Of Understanding (MOU) with JSK. Upon signing the MOU Private Hospitals/ Nursing Homes shall be entitled for incentive, whenever it conducts 10 or more Tubectomy/Vasectomy cases in a month under NHM scheme of Government of India.

All the cases covered under Santushti strategy are basically sterilization conducted under NHM cases. JSK is giving top-up amount to promote and support the private accredited facilities.
Salient features:
1. Accredited Private Hospitals/Nursing Homes, who conduct 10 Tubectomy (Female sterilization) and Vasectomy (Male sterilization) operations in a month will be eligible for payment under Santushti strategy.
2. Private facilities conforming to the aforesaid criteria are entitled for an additional top-up amount of Rs. 500/- per case which will be paid by JSK for organizational activities.
3. There is also a provision for payment of wage compensation to the clients @ Rs 600- for Tubectomy and Rs. 1100/- for Vasectomy.
4. Tripartite MOU will be among Private Health Provider, State Health Society and JSK.
5. All reputed Non-Governmental Organizations (NGO)/ private accredited facilities working in the state may also are eligible to participate in the Scheme if they fulfil requisite criteria for quality assurance.
